

Republic of the Philippines  
Department of Health  
**OFFICE OF THE SECRETARY**

April 8, 2021

**DEPARTMENT PERSONNEL ORDER**

No. 2021 - 0770

**SUBJECT: Authority for Select Personnel from the Department of Health-Pharmaceutical Division and DOH-Retained Hospitals to Attend and Facilitate the Conduct of the Antimicrobial Stewardship (AMS) Blended Learning Program Framework in Hospitals Batch 1 on May 3 to June 11, 2021, Batch 2 on July 5 to August 13, 2021, and Batch 3 on September 5 to October 8, 2021 through Online Platforms**

The World Health Organization (WHO) considers Antimicrobial Resistance (AMR) as a growing public health concern that prolongs illnesses thereby increasing the risk of death, hampers the control of infectious diseases, increases health care costs, jeopardizes health-care gains to the society, and poses threat to health security which can negatively affect trade and damage economies. In response to this, the Department of Health (DOH), through the Pharmaceutical Division (PD), issued the Administrative Order No. 2019-0002 entitled, "*Implementing Guidelines on the Philippine Antimicrobial Stewardship (AMS) Program for Hospitals,*" to define the overall framework and strategic directions of the National AMS implementation that aims to promote rational use of antimicrobials as well as to mitigate and prevent the spread of AMR in the Philippines. The AMS training program for hospitals aims to institutionalize leadership and mechanisms for clinical governance in the area of AMR, establish positive behavioral changes in terms of antimicrobial prescribing, dispensing and use, and prevent further spread of multi-drug resistant pathogens in the hospital and its surrounding communities.

In 2016, the AMS Manual of Procedures (MOP) was developed, which was followed by a series of AMS training roll-outs since December of the same year. In 2019, the AMS program was cascaded to the Level I hospitals as well as to the remaining Level II hospitals which have yet to be trained. In 2020, however, the conduct of AMS training was postponed in view of the Coronavirus Disease 2019 (COVID-19) pandemic that prohibits mass gathering and face-to-face interactions, and which has also caused the realignment of funds for COVID-19 response.

Cognizant that antibiotic overuse and misuse in the midst of the COVID-19 pandemic may potentially exacerbate the AMR situation in the country and may put stewardship efforts at risk, the DOH acknowledged the more urgent need to implement AMS principles amid the pandemic in order to mitigate the unintended long-term consequences associated with the irrational use of antibiotics during this time. To continue the DOH AMS initiatives and to adapt to the demands of the new normal brought about by the COVID-19 pandemic, the DOH-PD requested for technical assistance from the WHO to redesign the AMS training program for hospitals and primary care facilities and transform it into an Online Blended Learning Framework. The AMS Blended Learning Program Framework in Hospitals comprises Asynchronous Learning, in which the participants learn at their own time and contribute at their own pace, and Synchronous Learning, in which the participants learn at the same time, requiring their involvement during a live session scheduled at a specific date and time.

To further cascade the AMS training program for hospitals and to capacitate the remaining Levels I, II and III hospitals on how to establish an AMS program in their own health facilities, three (3) batches of AMS online training will be carried out this year using the AMS Blended Learning Program Framework. The Online Asynchronous Learning Modules will be implemented through the DOH Academy Learning Management System (LMS) platform while the Synchronous or live sessions/workshops will be organized via online video and web conferencing platforms (e.g., Zoom Application). The pilot implementation or Batch 1 of the AMS Blended Learning Program Framework for the remaining Level II and III hospitals shall be conducted from **May 3 to June 11, 2021**. On the other hand, batches 2 and 3 for Level I hospitals will be carried out on July 5 to August 13, 2021 and September 6 to October 8, 2021, respectively.

In view of the above, authority is hereby given to the following personnel from the DOH-PD and select DOH-retained hospitals designated as AMS training hubs to attend and facilitate the conduct of **Synchronous Live Learning Workshops** (i.e., Live Sessions 1 and 2, and Special Track Live Session) of the AMS Blended Learning Program Framework in Hospitals following the schedule specified in Annexes A (for Batch 1), B (for Batch 2), and C (for Batch 3) of this document:

| NAME  | DESIGNATION                          | OFFICE/<br>INSTITUTION    |
|---|--------------------------------------|---------------------------|
| <b>A. Department of Health (DOH) - Central Office</b> |                                      |                           |
| 1. Dr. Anna Melissa S. Guerrero                       | - Division Chief / Medical Officer V | - Pharmaceutical Division |
| 2. Ms. Johanna B. Mallari                             | - Pharmacist IV                      | - Pharmaceutical Division |
| 3. Mr. Zheric Johnden Niño S. Dizon                   | - Pharmacist II                      | - Pharmaceutical Division |
| 4. Ms. Katherine D. Balboa                            | - Pharmacist II                      | - Pharmaceutical Division |
| 5. Ms. Ma. Michelle B. Balbontin                      | - Pharmacist II                      | - Pharmaceutical Division |

## **B. DOH-Retained Hospitals**

|                                     |   |  |
|-------------------------------------|---|--|
| 6. Dr. Maria Ines Bettina L. Santos | - Chair, Infection Prevention & Control Committee       | - Bataan General Hospital and Medical Center (BGHMC)             |
| 7. Dr. Anne Louise Gabriel-Chan     | - Chair, AMS Committee and AMS Team                     | - BGHMC  |
| 8. Ms. Joy Marcos Andres            | - Pharmacist V  | - BGHMC  |
| 9. Ms. Cherry M. Regis              | - Pharmacist IV   | - BGHMC  |
| 10. Ms. Jhoriz Bautista Yee         | - Pharmacist II   | - BGHMC  |
| 11. Mr. Johnson Diaz Palaypay       | - Infection Prevention & Control Nurse                  | - BGHMC  |
| 12. Dr. Catherine T. Jison          | - Medical Specialist IV                                 | - Corazon Locsin Montelibano Memorial Regional Hospital (CLMMRH) |
| 13. Dr. Joan E. Cerrada             | - Infectious Disease Specialist (IDS) / AMS Team Leader | - CLMMRH   |
| 14. Dr. Carina H. Frayco            | - Medical Specialist II                                 | - CLMMRH   |
| 15. Dr. Henrietta Lucasan           | - Medical Specialist II                                 | - CLMMRH   |
| 16. Ms. Michelle L. Macasero        | - AMS Lead Pharmacist                                   | - CLMMRH   |
| 17. Mr. Mark Lorenz A. Taruc        | - AMS Lead Nurse  | - CLMMRH   |
| 18. Ms. Sheryl V. Empiales          | - Infection Control Nurse                               | - CLMMRH   |
| 19. Dr. Lyzette Salas-Pangilinan    | - Chair, AMS Committee                                  | - Jose B. Lingad Memorial General Hospital (JBLMGH)              |
| 20. Dr. Suzanne Ponio-Degollado     | - Medical Specialist III                                | - JBLMGH   |
| 21. Ms. Ma. Luisa M. Gopez          | - Pharmacist V (Chief Pharmacist)                       | - JBLMGH   |
| 22. Ms. Carolina G. Cavinta         | - Pharmacist IV   | - JBLMGH   |
| 23. Mr. Cyrus Galvin Tabian         | - Pharmacist II   | - JBLMGH   |
| 24. Ms. Melinda Miranda-Valencia    | - Pharmacist II   | - JBLMGH   |
| 25. Mr. Michael Ignacio             | - Nurse III, Supervisor                                 | - JBLMGH   |
| 26. Ms. Julie Anne Cabantog         | - Medical Technologist III                              | - JBLMGH   |
| 27. Ms. Anna Rose Mariano           | - Medical Technologist II                               | - JBLMGH   |
| 28. Mr. Johanan Agnote              | - IT Specialist   | - JBLMGH   |

|                               |  |  |
|-------------------------------|--|--|
| 29. Dr. Jemelyn U. Garcia     | - Medical Specialist III, AMS<br>Committee Chair | - Research Institute for<br>Tropical Medicine (RITM) |
| 30. Dr. Aileen Gianan Gascon  | - Medical Specialist III                         | - RITM   |
| 31. Dr. Arthur Dessi E. Roman | - Medical Specialist III                         | - RITM   |
| 32. Dr. Pamela D. Ferrer      | - Medical Specialist III, AMS<br>Committee Chair | - Southern Philippines<br>Medical Center (SPMC)      |
| 33. Dr. Marie Yvette Barez    | - IDS Consultant                                 | - SPMC   |
| 34. Dr. Innofel Chin          | - IDS Consultant                                 | - SPMC   |
| 35. Dr. Aileen Lee            | - IDS Consultant                                 | - SPMC   |
| 36. Dr. Kathryn Roa           | - IDS Consultant                                 | - SPMC   |
| 37. Dr. Larisa Lara Torno     | - IDS Consultant                                 | - SPMC   |
| 38. Ms. Annabelle Arcenas     | - AMS Pharmacist                                 | - SPMC   |
| 39. Mr. Jose Antonio Pasia    | - AMS Pharmacist                                 | - SPMC   |
| 40. Ms. El Aye Sibal          | - AMS Pharmacist                                 | - SPMC   |

Under this Order, all expenses incurred in the conduct and facilitation of the live sessions of the AMS Blended Learning Program Framework for hospitals Batches 1, 2, and 3, such as, but not limited to the following: expenses for Zoom subscription, honoraria of resource persons, and facilitators, supplies and materials, and other incidental/miscellaneous expenses, shall be charged against the funds sub-allotted to the AMS hospital training hubs, subject to the usual accounting and auditing rules and regulations.

By Authority of the Secretary of Health:

  
**GERARDO V. BAYUGO, MD, MPH, CESO I**  
 Undersecretary of Health  
 Health Regulation Team

## ANNEX A

### Schedule of the Synchronous Live Learning Workshops of the Batch 1 of the AMS Blended Learning Program Framework for Levels II and III Hospitals per AMS Training Hub

#### A. Bataan General Hospital and Medical Center (BGHMC)

| <b>Date and Time</b>              | <b>Topic/Activity</b>   | <b>Resource Speaker/s or Facilitator/s</b>   |
|-----------------------------------|---|--|
